GET YOUR VOICE HEARD!

Connecticut's health care system is far from perfect, but you can help make it better. We would love to hear about health care in the real world as you experience it.

Send us:

- Pictures
- Good health care stories, praise
- Bad health care stories, criticism
- Changes you would like to see
- Concerns
- Whatever you want!

Please send mail to:

*Connecticut Health Policy Project
703 Whitney Ave.
New Haven, CT 06511*

*Email: brian@cthealthpolicy.org
Call toll-free: 1-888-873-4585*

Your input as a health care consumer is extremely valuable to us. We may use your contributions in our upcoming newsletter, and they will help advocates and lawmakers better understand the health care system from your point of view. If you don't want us to use your name with your story, please say so. Don't be shy, and start sending things now!

REMEMBER to fill out your surveys for your chance to win \$50 in groceries!!!

Consumer Health Action Network, from the CT Health Policy Project with funding from the Universal Health Care Foundation of CT
