

**Primary Care Case Management: An Option for Connecticut Medicaid
Legislative Forum
Tuesday March 27, 2007
9 am to noon
Legislative Office Building, Room 2C
Hartford CT**

Primary Care Case Management is a way to run Medicaid programs, such as HUSKY, that does not involve HMOs. Policymakers are actively seeking alternatives to HMOs for HUSKY.

There is no cost to attend, but you must register for conference materials.
