Re: SustiNet Healthcare Workforce Task Force Report

Pursuant to PA 09-148, An Act Concerning the Establishment of the SustiNet Plan, we are proud to submit the report of the SustiNet Healthcare Workforce Task Force. By this transmittal, we are fulfilling the requirement of the task force under Section 18 of that Act.

We want to thank all the members of the task force for their hard work in developing this report, the many generous experts who shared their wisdom with us, and to thank you for this opportunity. We also want to thank the able assistance of Anya Rader Wallack, Vicki Veltri, Michael Mitchell, Marilyn Rice, and Africka Hinds-Ayala without whose assistance this report would not have been possible.

We are available to answer questions or to re-convene the task force as needed to ensure Connecticut's health care workforce capacity.
